

SAVE COSTS AND IMPRESS GUESTS

Battle to "Find" Staff? Guests Complain about Wi-Fi?

Wi-Fi

- Reliable Wi-Fi for Guests - No Patchy Coverage
- Secure networking, high gain, cost effective
- Use the same wi-fi network for your business

WIRELESS PHONES

- Roaming Throughout your Buildings
- Works with your Existing PABX
- Works in Tandem with Normal Extension
- No more "internal" Cellphone Calls!!

WIRELESS MESSAGING

- SMS & On-Site Text/ DECT Messages
- Manage and Task Staff Wherever they are
- Can Integrate Fire Alarm, BMS & PMS etc.
